The Hilton HHonors Military Rewards program consists of a donation of 100,000 Hilton rewards points to members of military service who are screened and submitted by WorkForce West Virginia staff. Qualifying job search activities include verified job searches outside of local area, participation in a job or career fair, housing searches, job interviews, or training for new employment opportunities. The value of the reward points varies by location, but on average it is equivalent to three nights at any Hilton Worldwide Inc. Establishment.

Participants must be able to provide proof of military service, register with Workforce West Virginia, and become a Hilton Rewards member.
