

Job Opportunity

Quality Manager

Armstrong Flooring, Inc. (AFI) has a job opportunity for a Plant Quality Manager to be located in Beverly, WV manufacturing facility. Reporting to the Plant Manager, the Plant Quality Manager will plan, coordinate and direct the Quality Management System for the plant. Additionally, the Plant Quality Manager will lead the operation in identifying and applying best practices in manufacturing techniques and process control as they relate to product quality.

Primary Duties and responsibilities will include:

- Lead the plant Quality Department team to ensure daily production is within specification, including training and accountability.
- Maintain quality data and provide operations with reports and utilize Pareto analysis to drive performance improvements.
- Work with corporate Quality Assurance and plant operations to quickly resolve customer quality concerns and claims.
- Ensure on-going compliance to corporate Quality Management System.
- Lead projects to improve real time quality adherence.
- Participate in new product development.

Qualified applicants will possess the following qualifications or experience:

- Bachelor's degree in quality, engineering, or related discipline and/or equivalent work experience.
- Minimum of 5 years quality or operations management experience in a manufacturing plant environment.
- Working knowledge of Process Improvement methodologies, such as Six Sigma, Lean Manufacturing, Business Process Management, etc.
- Experience managing significant budget, cost centers, and projects.
- Excellent analytical, communications, leadership, and interpersonal skills.
- Proficiency in computer applications, including MS Office.

With a heritage that began more than 150 years ago, Armstrong Flooring, Inc. is a global leader in the design and manufacture of flooring products with a focus on innovation, design, and environmental sustainability. Based in Lancaster PA, Armstrong Flooring serves both the residential and commercial markets.

This position offers a total comprehensive compensation program including competitive wages, benefits program, relocation, and 401k retirement plan.
