Waste Management (WM), a Fortune 250 company, is the leading provider of comprehensive waste and environmental services in North America. We are strongly committed to a foundation of operating excellence, professionalism and financial strength. WM serves nearly 25 million customers in residential, commercial, industrial and municipal markets throughout North America through a network of collection operations, transfer stations, landfills, recycling facilities and waste-based energy production projects.

Join our Waste Management team, the industry leader since 1971. With over 41,000 proud employees, Waste Management has the largest trucking fleet in the waste industry - over 18,000 trucks and leads in CNG advancement with the largest fleet of class 8 Natural Gas Vehicles in North America. We offer opportunities in 48 states, the District of Columbia, and Canada

When you drive for Waste Management, you join a team of the best drivers in the nation - professional, well trained, and skilled. Our drivers work hard and drive safe. They know they are valued front-line team members who are the key in making Waste Management number one in the industry. They are rewarded with competitive pay, great benefits, opportunity for growth, and they are home at night and on the weekends.
