

JOB SEEKERS

YOUR FUTURE STARTS HERE

6 Find a job

Congratulations! After successfully reviewing and completing the five previous steps, you are now ready to begin your job search! This is a very exciting time for you, and there a number of resources available at your disposal to help you find the job that is just right for you!

Begin your online West Virginia job search today:

Browse the MACC, the state's largest job database, to find available jobs in your area.

129.71.217.28:8080/jobs

Enroll in the MACC to start finding positions available for your skill level.
