Dear Ms. Harper:

Please take notice that Bluefield Regional Medical Center (“BRMC”) located at 500 Cherry Street, Bluefield, West Virginia 24701, will permanently close during the 14-day period that will begin on July 30, 2020. This closure includes the residency program at BRMC, but it does not impact the employees of the Bluefield Clinic Company. The closure is the direct result of the COVID-19 pandemic which has caused a major reduction in emergency room visits, outpatient services, and inpatient volumes at BRMC. This unforeseeable business circumstance is unfortunate and beyond BRMC’s control.

It is anticipated that this permanent closure will consist of 340 employees. Separations will occur during the 14-day period beginning on July 30, 2020. Attached is a list of the job titles of positions to be affected and the number of affected employees in each job classification.

Union employees in affected positions DO NOT have bidding rights. The National Nurses Organizing Committee local contact, Barry Roberts, may be reached at the following:
