Notice of Request for Proposal (RFP)
Labor Liaison Peer Support Project Program

WorkForce West Virginia (WorkForce), a division of the Department of Commerce, announces the availability of U.S. Department of Labor Workforce Innovative Opportunity Act (WIOA) funds for the Labor Liaison Peer Support Project activities to be available statewide for dislocated workers.

The Labor Liaison Peer Support Project program develops a pre-layoff support structure for the purpose of assisting workers through the difficult transition period of rapid change and uncertainty when a dislocation occurs. Peer support coaches are developed out of each dislocation of dislocated workers to serve as the projects bridge connecting workers to services through outreach, recruitment, and ongoing program comprehensive follow-up services in referring dislocated workers to WorkForce WV One-Stop offices for reemployment and retraining services to partner services.
