Job Description

PSSI is currently seeking applicants for Food Safety Sanitors. A sanitation team member plays a key role by cleaning and sanitizing food processing facilities. This can involve using machinery (like a high-pressure water hose) and hand scrubbing.

- ▶ No experience necessary
- ▶ 30 day training provided
- ▶ Must be 18 years old or older
- ▶ Ability to work in the plant with equipment and lift up to 40 lbs.
- ▶ Work conditions can be hot, cold, wet, dry and dirty
- ▶ A majority of job openings are on third shift

Join a team armed with the passion and science to advance food safety. To set up an interview or learn more:
