### Job Description

As an in-home caregiver, you will have a rewarding job. You will be the key person that will deliver compassionate, quality care to our aged or disabled elderly clients. They will be so thankful to have your help. You will work independently with little supervision and report any concerns, changes, or issues to your Nurse Supervisor.

**Benefits:** Flexible schedules, free training for continued development, insurance, earned time off, Referral Programs, performance reviews, Caregiver Recognition, and more.

### Primary Responsibilities

The following are the main areas that our client's receive assistance with:

- *Meal preparation* – Assist clients with daily meals or eating by following any special dietary needs
- *Companionship* – Be a pleasant and supportive companion
- *Personal Hygiene* - Assist client with their personal hygiene needs (bathing, dressing, toileting)
- *Mobility assistance* – Help with ambulation/walking, strengthening exercises
- *Medication Reminders* - Prompt client to take daily medications when necessary to follow his or her schedule
- *Transportation* – This may include doctor appointments, shopping and errands.
