

EMPLOYERS

## YOUR ROAD TO SUCCESS STARTS HERE

# 1 Find qualified workers

WorkForce West Virginia is the state's one-stop resource center for workforce development. Our state and local offices are designed to serve not only those looking for work, but also help our business and industry partners find and hire skilled employees ready for the job.

## Access that counts

WorkForce West Virginia provides employers with 24/7 access to the state's largest online database of potential job candidates - the Mid Atlantic Career Consortium (MACC). Through this portal, employers can post active job listings and receive and review applications. Our staff can recruit and screen candidates for you, so you only see the most qualified applicants.
