ES DIVISION

To whom it may concern:

This letter is being issued in the event that the Worker Adjustment and Retraining Notification Act ("WARN") applies to Packers Sanitation Services, Inc.'s ("PSSI") (FEIN # 34-1864733) cessation of services at the Pilgrim's Corp - Moorefield Cook Plant located at 214 S. Main St. Moorefield, WV 26836.

By way of background, PSSI is a privately held, sanitation contractor who has sanitized Pilgrim's Corp - Moorefield Cook facility since August 11, 2017. Recently, we received unforeseen notice from Pilgrim's Corp - Moorefield Cook that it has decided to contract the Moorefield, WV location meaning that PSSI will cease services at this plant effective May 10, 2024. This will result in the layoff or relocation of all PSSI employees at this plant.

All 88 affected employees have been notified of the contract termination. Attached to this letter is a copy of the notification being provided to all employees at this facility. As stated in the notification to the employees, all eligible employees at this location will be offered a job transfer to another PSSI plant in the area. However, bumping rights do not exist.

For more information about this matter, please contact Samira Herrera at 608-568-2215.
