RE: Science Applications International Corporation (SAIC) Worker Adjustment and Re Notification (WARN) Act Notice

Science Applications International Corporation's ("SAIC") work on the Systems and Software Assurance Services contract will end on April 30, 2022. Consequently, the permanent layoff of approximately 55 employees is expected to occur on that date. The employees are assigned to work at the following address:

Katherine Johnson IV&V Program
100 University Drive
Fairmont, WV 26554

Bumping rights do not exist, but resources will be made available for the affected employees in their search for alternative employment inside the Company, as well as with other companies. The SAIC employees at this location are not represented by a Union.

If you need any additional information please contact me via email at barbara.a.gooch@saic.com, or by phone at 256-924-8182.

Sincerely,

Barbara A. Gooch
